Gwenael Kerleo

Gwenael Kerleo, Breton harpist and composer, chose a musical and creative path at a very young age. As a highly sensitive child, she found a safe haven in music, and the Celtic harp became her instrument.

Gwenael Kerleo is now established as one of the major Celtic harpists in Brittany. Her music has also touched music lovers throughout the world: from Japan to Paraguay, via Hungary, Germany and Russia.

She confides her stories to her audiences with modesty and feeling. Despite the challenges everybody must face in the world, her music is full of hope, and the sense the best is yet to come.

Gwenael's latest programme, "Meeting with an Angel", is an invitation to share in the harmony she senses, in a moment of pure happiness that she would like to last forever.
