## Tristan LE GOVIC

Tristan Le Govic is internationally-recognised as one of the leading Celtic harpers today. He has performed throughout Ireland, Scotland and Sweden, as well as his native Brittany. He has honed his musical diversity together with musicians such as the Breton accordionist Samuel Le Hénanff, Scottish double bass player Stuart Macpherson, English drummer Roy Shearer, and the Swedish singer Lise Enochsson, with whom he has developed a unique repertoire of Scandinavian music on the Celtic harp (Elva). With Tangi Le Hénanff (bass) and Alan Quéré-Moysan (drum), he created the Tristan Le Govic Trio. They won the Nevez Flamm Trophy for the best Fest Noz band of 2018, and have released a group album: Dañs.

Tristan has made several other recordings, and is the author of numerous collections of music for lever harp. He edited the Breton Harp Anthology in 2015.

Singer, storyteller, virtuoso musician, Tristan Le Govic both arranges traditional repertoire and writes his own compositions. His musical world never stays still, opens the gates to an extraordinary rhythmic and melodic diversity.
