Anna Boulic

A crystalline harp and a fiery voice are waiting for you... by the incisive Australian artist Anna Boulic, who is anything but what a harpist should supposedly embody!

Anna Boulic is a singer, harpist, actor, vocal coach for theater and writer. She is originally from Melbourne, Australia and performs regularly in the Nouvelle Aquitaine region with her blues band.

A respected artist known for her vocal performances, Anna has won several awards, and worked in different countries around the world. In 2015, she left her native Australia and moved to France. In her new cultural and linguistic environment, she returned to the stage and built a loyal following.

Her new blues album „Gin Pidgin: l'Episode de l'Homme Ordinaire et Autres Contes Abracadabrantiques" will be released in May 2021. This series of new songs explores day-to-day life, the search for beauty in small things, and memories of youth and lost loves.
